

Recording Instructions

For the best quality audio, we recommend recording using the standard voice recording app on your iOS or Android phone. Follow the step-by-step instructions below to record and upload your story!

Note: *If you don't have a voice recording app or if you need assistance, please reach out to sgcc@tnc.org and we'll work with you directly to make sure you're able to share your story.*

iOs (iPhone or iPad)

- Find your [Voice Memos](#) app, which should automatically be installed on your phone. If you've deleted it, simply re-install it for free from the app store.
- Record your story. Once you hit the "stop" button, your recording is then saved automatically.
- Once you're done recording, please edit the title of your audio file in this format: "**LastName_FirstName_Location**" (e.g. "**Jones_Sam_MobileBayAL**").

Note: To change the title, tap the three blue dots at the bottom left of your audio file, select "Edit Recording" and then tap the title to edit.

- Now, you're ready to send your recording! Tap the three blue dots at the bottom left of your audio file again, select "Share" and email the file to sgcc@tnc.org. By emailing your submission, you agree to the terms and conditions outlined in the disclaimer on our website.

Android

- Find your voice recorder app (most Android phones come with one automatically installed). If you don't have one, we recommend downloading [Voice Recorder](#) for free from the Google Play Store.
- Record your story. Once you hit the "stop" button, you'll be prompted to name and save the recording.
 - Please edit the title of your audio file in this format: "**LastName_FirstName_Location**" (e.g. "**Jones_Sam_MobileBayAL**").
- Once you hit save, you will be taken to your full list of recordings (depending on your Android phone, you may need to hit "Recordings" or a similar button).
- Click the dropdown arrow on the audio file you want to send, tap "Share" and email the file to sgcc@tnc.org. By emailing your submission, you agree to the terms and conditions outlined in the disclaimer on our website.

Thank you for sharing your story and speaking up for climate action!
